

DevLab_ICM20948::selectBank

```
graph LR; A[DevLab_ICM20948::selectBank] --> B[BusIO_7Semi::write]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text "DevLab_ICM20948::selectBank". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "BusIO_7Semi::write". Both boxes have a thin black border.

BusIO_7Semi::write
