

BusIO_7Semi::readBits

```
graph LR; A[BusIO_7Semi::readBits] --> B[BusIO_7Semi::read]
```

A diagram showing a call from the `readBits` method to the `read` method. The `readBits` method is represented by a gray rectangular box on the left, and the `read` method is represented by a white rectangular box on the right. A blue arrow points from the right side of the `readBits` box to the left side of the `read` box, indicating the direction of the call.
